

Spiritual Awakening

Text: Luke 15:11-25

Spiritual awakening is a process of realization, awareness and knowledge that leads a sleeping giant into a path of glorious restoration and fulfillment.

Spiritual awakening is not an event but a process that leads you to taking your rightful place in God's plan and purpose for your life. This process triggers some important questions that require sincere answers and when fully and sincerely addressed, will bring about glorious restoration for your life.

Who are you? Where are you? Where were you coming from? Where are you going in life? What are you here for? How do you get back All these questions are coming to you today to ask yourself as you embark on a journey to discovering and living in God's purpose and plan for your life.

- Does it look like your efforts to solve your problem are not working?
- Do you feel empty?
